WHO ARE WE?

Camp Tiger is the annual community service project of first-year medical students at LSU Health Shreveport School of Medicine. Camp Tiger has been a part of the lives of children in the Shreveport-Bossier community for the past 20 years. It is a week-long day camp for children ages 5-18 with physical and cognitive challenges, such as cystic fibrosis, Down syndrome, cerebral palsy, autism, and more. Most importantly, since its inception in 2000, no child has ever paid to attend Camp Tiger because of generous supporters like you.

Campers are dropped off and picked up each day by their parent/guardian and participate in a variety of activities throughout the Shreveport area such as trips to Sci-Port Discovery Center, Gators and Friends, Holiday Lanes, and much more. Most importantly, the campers benefit from the social interaction with one another and from individual attention from camp counselors.
